Saint Norbert

St. Norbert, also known as St. Norbert of Xanten, was born in 1080 and was a Bishop of the Catholic Church. He was also the founder of the Premonstratensian Order of the Canons Regular. His father was related to the Imperial house of Germany. He fought himself spiritually to avoid being ordained to the priesthood, but after a near fatal accident he had a conversion. He went on to found the Order of the Canons Regular of Premontre, and was known for his asceticism. Pope Honorius II appointed Norbert to the Archbishopric of Magdeburg in 1126, and he spent his time defending the true faith, and reforming the lax Catholic attitude in his See.

COLLECT PRAYER

O God, who made the Bishop Saint Norbert a servant of your Church outstanding in his prayer and pastoral zeal, grant, we ask, that by the help of his intercession, the flock of the faithful may always find shepherds after your own heart and be fed in the pastures of salvation. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, forever and ever.

Amen.

Prayer to St. Norbert

O holy St Norbert, gentlest of saints, your love for Jesus Christ truly present in every tabernacle around the world and your charity for souls made you worthy while on earth to possess miraculous powers. Miracles waited your word, which you were always ready to speak for those in trouble or anxiety. Encouraged by this thought, I implore you to intercede for me so that my prayers will be answered. The answer may require a miracle; even so, you are the saint of miracles. O gentle and loving St Norbert, whose heart was always full of zeal for souls, whisper my petition into the ears of the Infant Jesus, and the gratitude of my heart will always be yours. Say 1 Our Father... Say 1 Hail Mary... Say 1 Glory Be...
