Prayer for World Day for Grandparents and the Elderly

I thank You, Lord, for the comfort of Your presence:

even in times of loneliness, You are my hope and my confidence, You have been my rock and my fortress since my youth! I thank You for having given me a family and for having blessed me with a long life.

I thank You for moments of joy and difficulty,

for the dreams that have already come true in my life and for those that are still ahead of me.

I thank You for this time of renewed fruitfulness to which You call me.

Increase, O Lord, my faith, make me a channel of your peace, teach me to embrace those who suffer more than me, to never stop dreaming and to tell of your wonders to new generations.

Protect and guide Pope Francis and the Church, that the light of the Gospel might reach the ends of the earth.

Send Your Spirit, O Lord, to renew the world, that the storm of the pandemic might be calmed, the poor consoled and wars ended.

Sustain me in weakness and help me to live life to the full in each moment that You give me, in the certainty that you are with me every day, even until the end of the age.

Amen.

Prayer for Blessing of Grandparents

Lord God almighty, bless our grandparents with long life, happiness, and health. May they remain constant in your love and be living signs of your presence to their children and grandchildren. We ask this through Christ our Lord. Amen.

A Child's Prayer for Grandparents

Dear God, please bless my grandparents. Thank you for the life they gave my parents and for the life, they give to me. For the ways they helped me and made me strong, I give thanks.

For the ways, they love me no matter what, I rejoice. For the ways, they have paved the road that leads me here, I am grateful. Let them grow in wisdom and joy in life. Let them find peace and rest from their work. Let them be healed of every sickness and pain. And let them see with their own eyes your glory and the love of their children and grandchildren.

Bless them always until they come to rest in you.

Our Grandparents

We thank you for our grandparents who have played such an important role in our lives. We remember with joy all of the time spent together doing simple things like fishing, doing a puzzle, baking cookies, taking a walk, reading a story and learning about the wonder of nature.

Thank you for the privilege of hearing their stories of life in another time and place that inspired us to work hard, be patient, courageously endure hard times and to dare to follow our dreams. We are forever grateful for the wisdom and stability they provided when we felt our world was falling apart.

What a great gift to us that they loved us just because we were their grandchild.

Thank you that they counted it joy to spend time listening as we told them about the big and little things going on in our lives.

May we continuously feel their hugs and feel the warmth of their smiles so that we can better comprehend your constant and unchanging love for us. We ask your kind forgiveness for the times we failed to appreciate our grandparents, for the times we were too wrapped up in ourselves and our own activities to spend more time with them.

Help us to become more like them as we age, learning how to accept with grace the limitations of aging bodies. Give us their strong and supernatural grace to face the loss of our own aging friends and family the same way our grandparents have. May we learn from them how to face the prospects of our own limited time on earth and our own deaths with the dignity, peace, and assurance of eternal life.

And when our time comes to be grandparents ourselves, help us to follow in their loving footsteps.

You shall love the LORD your GOD with all your heart, with all your soul, with all your mind, and with all your strength.

Look with Love

Look with love on grandparents the world over.

Protect them!

They are a source of enrichment for families and for all of society.

Support them!

As they grow older, may they continue to be for their families

strong pillars of Gospel faith, guardian of noble domestic ideals, living treasuries of sound religious traditions. Make them teachers of wisdom and courage, that they may pass on to future generations the fruits of their mature human and spiritual experience. Help families and society to value the presence and roles of grandparents. May they never be ignored or excluded, but always encounter respect and love. Help them to live serenely and to feel welcomed in all the years of life which you give them. Keep them constantly in your care, accompany them on their earthly pilgrimage, and by your prayers, grant that all families may one day be reunited in our heavenly homeland, where you await all humanity for the great embrace of life without end.
