Prayer of Pope Paul VI

Make us worthy, Lord, to serve our brothers and sisters throughout the world who live and die in poverty and hunger. Give them, through our hands, this day their daily bread, and by our understanding love, give peace and joy.

Amen.

Prayer of Pope Paul VI

You Are Our Mother

O Mary, look upon the church, look upon the most responsible members of the Mystical Body of Christ gathered about you to thank you and to celebrate you as their Mystical Mother.

O Mary, bless the great assembly of the hierarchical church, which also gives birth to brothers and sisters of Christ, the firstborn among redeemed humankind.

O Mary, grant that this church of Christ, in defining itself, will acknowledge you as its most chosen mother, daughter, and sister, as well as its incomparable model, its glory, its joy, and its hope.

We ask you now that we may be made worthy of honouring you because of who you are and because of what you do in the wondrous and loving plan of salvation. Grant that we may praise you, O holy Virgin!

O Mary, look upon us who are your children, look upon us who are brothers and sisters, disciples and apostles and continuation of Jesus. Make us aware of our vocation and our mission; may we not be unworthy to take on, in our priesthood, in our word,

in the offering of our life for the faithful entrusted to us, the representation and personification of Christ.

O you who are full of grace, grant that the priesthood that honours you may itself also be holy and immaculate.

O Mary, we pray to you for our Christian brothers and sisters who are still separated from our Catholic family. See how a glorious group of them celebrate your cult with fidelity and love.

See also how among another group, who are so intent on calling themselves Christians, there now dawns the remembrance and the veneration of you, O most holy Lady. Call these children of yours to the one unity under your motherly and heavenly aid.

O Mary, look upon all mankind, this modern world in which the Divine Will calls us to live and work. It is a world that has turned its back on the light of Christ; then it fears and bemoans the frightening shadows that its actions have created on all sides.

May your most human voice, O most beautiful of virgins, O most worthy of mothers, O blessed among women, invited the world to turn its eyes toward the life that is the light of man, toward you who are the precursor-lamp of Christ, Who is the sole and the highest Light of the world. Implore for the world the true understanding of its own existence;

Novena To Saint Paul VI, Pope

Gracious God, Repeat the following Novena prayers every day for 9 consecutive days. Heavenly Father, We thank you for the witness of Your Servant, Saint Paul VI, who served You and the Church as Universal Pastor in difficult times. As a pilgrim among pilgrims he sought to reveal the beauty and joy of the Gospel to the men and women of his time, choosing the way of gentleness and forbearance. As Shepherd of the flock he sought to proclaim the truth in a time of great confusion in imitation of his patron the Apostle to the Gentiles. As Servant he proclaimed the Gospel of Life and in doing so bore the cross of suffering and isolation

in union with Your Crucified Son becoming a Prophet in the midst of the growing culture of death. We thank You for raising Your Servant to be numbered among the Saints. May his example of faith, courage and patient endurance inspire us in our daily living of the Gospel and in our witness to Jesus Christ.

May we too be Prophets of life, respecting, protecting and cherishing the gift of life, most especially in its most vulnerable moments.

May we too be Your missionaries at this time, seeking to transform the hearts of all men and women through the joy we find in Christ. Hear our prayers, most Merciful Father, and grant us through the intercession of Saint Paul the graces we now ask of You, **[Mention your need here...]**. Through Christ our Lord. Amen.

Say 1 Our Father...

Say 1 Hail Mary... and

Say 1 Glory Be...

Blessed Paul VI, Pray for him.
