## Prayer to St Joan of Arc

O Joan, holy liberator of France, the powerful holy force in the days of old, as you yourself said, "Peace would be found only at the point of a lance," who used the weapons of war when no other means were able to obtain a just Peace, take care and help today those who do not want to do violence and patiently try to employ all possible peaceful means of resolution, but now allow the violence of war. Return, O great hearted Daughter of God, and wage war against the enemies of the people of France and the people of England, with whom you yourself wished an alliance for the good of humanity. Both nations are now raised for the defense of what you would have defended: Justice between nations! Both peoples wish to crush the rebirth of barbarism as they raise this cry which is yours: Christianity must continue!

Heroine of Orleans, transmit to our leaders, your talent to inspire your soldiers to accomplish great deeds of valor, in order that our soldiers' efforts will come to a rapid and successful end. Triumphant One of Reims, prepare for us the just peace under the shield of a force that will be henceforth vigilant!

Martyr of Rouen, be near to all the soldiers who fall in battle, in order to support, console, and help them and those dear ones that they leave behind. Saint of the Country, excite in all souls, in every home of the world, the zeal to contribute to the salvation of the world and the return of peace, works which you crave, the rediscovery of a more Christian life, through holy thoughts and actions, forgiveness and persistent prayer, that as you yourself once said, "God must be served first." Amen.

## Prayer to Saint Joan of Arc

Most extraordinary soldier, you insistently proclaim "Let God be served first!" You began by winning many victories and received the plaudits of princes, but then you were given to the enemy and cruelty put to death. Instill in us the desire to serve God first and perform out earthly tasks with that idea ever in our minds. Amen.

## Prayer for the Intercession of St. Joan of Arc

O Lord, you wondrously raised up Joan, your virgin, to defend the Faith and her country in Your name. Through her intercession grant that the Church may overcome the snares of her enemies, and attain lasting peace. Amen.

## PRAYER TO SAINT JOAN OF ARC FOR HEALING

Holy Saint Joan, compassionate to the sick and wounded, who, while on earth, nursed so many back to health, hear me. You who wished to see no one injured or in discomfort, pray for me and

guide me through this difficult time. Daughter of God, wounded many times in battle, I petition you for healing: (Share your request...) so that I may be better able to serve God in whatever capacity He wishes. Intercede for me. It may not be in God's will for my body to be healed, for my sufferings may help another or my own soul. If my request is not granted, help me to remain strong, and instead be healed emotionally and spiritually. Amen.

## PRAYER TO ST. JOAN OF ARC

St. Joan, always devout and pure, help me to be like you, to follow Our Lord's will, though sometimes difficult and unclear. I pray you to lend me your immense courage, a courage bestowed upon you by the Savior, in His merciful love, that you might accomplish His will. St. Joan, shepherdess and leader of armies, lend me your great gift of courage that I might do Our Lord's Will as you have done it, no matter how difficult it may appear. Dear and Glorious St. Joan of Arc, my special patroness, friend and sister in Christ. I come before you this day to thank you for the graces you have obtained for me and my family and to ask your continued intercession with Our Lady to Jesus for us. Help me to fight the battles God sends me daily with the same courage and dedication you had. My battles may be smaller and different than the ones you were called to but I need the grace to surrender my will to God's daily. As you wore a physical armor, help me to put on the spiritual armor that St. Paul call us to wear in order to stay in the state of grace always. Be with me at my last hour so that my entry into eternity will be with faith in the divine Mercy of God no matter what form of death He wills for me. Help me to keep my eyes focused on Jesus and Him Crucified and Mary Immaculate. Grant me the signal grace I need at that hour and grant me the honor and privilege to stand next to you in the heavenly court with my family, St Joseph and all the saints and angels as we surround the thrones of Jesus and Mary through all eternity and worship the most Holy and Triune God. St. Joan, virgin and martyr, pray for me. Amen.

## A PRAYER COMPOSED BY THE SISTERS OF SAINT JOAN OF ARC

O Saint Joan of Arc, courageous woman soldier, called by God to fight and save your country from the enemy; grant that I, like you, may hear God's call in my life and have the courage to follow it faithfully, as priest, religious, married or single.

May your motto: 'My God must be first served,' be mine also; so that through me, He may build His kingdom here on earth.

Intercede to the Master of the harvest, that He may send laborers into His harvest. Saint Joan of Arc, pray for us. Amen.
