God hugs you – St Hildegard Von Bingen

Good people, Most royal greening verdancy. Rooted in the sun, You shine with radiant light. In this circle of earthly existence You shine so finely, It surpasses understanding. God hugs you, You are encircled by the arms Of the mystery of God.

Prayer

O God, by whose grace your servant Hildegard, kindled with the Fire of your love, became a burning and shining light in your Church: Grant that we also may be aflame with the spirit of love and discipline, and walk before you as children of light; through Jesus Christ our Lord, who lives and reigns with you, in the unity of the Holy Spirit, one God, now and forever. Amen.

Special Prayers by St. Hildegard von Bingen

Filled us with [those things] we need; Now it may please you Father for it befits you To consider us with your help, So that we might not fail and lest your name Might be blackened in us And through your name, deign to help us. O Eternal Lord O eternal Lord, it is pleasing to you to burn in that same fire of love, like that from which our bodies are born, and from which you begot your Son in the first dawn before all of Creation. So consider this need which falls upon us, and relieve us of it for the sake of your Son, and lead us in joyous prosperity.

St. Hildegard von Bingen Prayers

O Great Father

O Great Father we are in great need; Now therefore we implore, we implore you Through your Word, by which you have Filled us with [those things] we need; Now it may please you Father for it befits you To consider us with your help, So that we might not fail and lest your name Might be blackened in us And through your name, deign to help us.

O Eternal Lord

O eternal Lord, it is pleasing to you to burn in that same fire of love, like that from which our bodies are born, and from which you begot your Son in the first dawn before all of Creation. So consider this need which falls upon us, and relieve us of it for the sake of your Son, and lead us in joyous prosperity.

O Shepherd of Souls

O Shepherd of souls and o first voice through whom all creation was summoned, now to you, to you may it give pleasure and dignity to liberate us from our miseries and languishing.

O Ruby Blood

O ruby blood which flowed from on high where divinity touched. You are a flower that the winter of the serpent's breath can never injure.

O Leafy Branch

O leafy branch, standing in your nobility as the dawn breaks forth: now rejoice and be glad and deign to set us frail ones free from evil habits and stretch forth your hand and lift us up.
