Saint Barbara

St. Barbara, fearless virgin and martyr, protect all who face sudden danger. Guard artillerymen, engineers, and all who serve in perilous duties. Ask God to grant them courage, skill, and a safe return home.

Pray for us, that we may remain faithful in every trial. Amen.

St. Barbara was an early Christian martyr (3rd century). According to tradition, her pagan father locked her in a tower to keep her from the world. During this time, she embraced the Christian faith.

Her father discovered her conversion and handed her over to Roman authorities. She suffered cruel torture but remained firmly faithful to Christ. After she was sentenced to death, her own father carried out the execution—but according to legend, he was immediately struck by lightning. Because of this, she became the patroness of anyone working with explosive forces, fire, or sudden danger, especially artillery troops.

Prayer to Saint Barbara

O GOD, Who didst adorn Thy holy Virgin and Martyr Barbara with extraordinary fortitude in the confession of the Faith, and didst console her in the most atrocious torments; grant us through her intercession perseverance in the fulfillment of Thy law and the grace of being fortified before our end with the holy Sacraments, and of a happy death. Through Christ our Lord. Amen.

Prayer to St. Barbara for Courage and Faith

Dear Saint Barbara, powerful protector of those who face adversity, I turn to you in my time of need. I ask for your courage and faith as I face the challenges that come my way. May I always be inspired by your unwavering spirit and your devotion to God, and may I never lose sight of the hope that is within me. Help me to be bold and steadfast, to always trust in the Lord, even when things seem impossible. I pray this in your holy name, Saint Barbara. Amen.

Prayer to St. Barbara

St. Barbara, you are stronger than the tower of a fortress and the fury of hurricanes. Do not let lightning hit me, thunder frighten me or the roar of canons jolt my courage or bravery. Stay always by my side so that I may confront all the storms and battles of my life with my head held high and a serene countenance. Winning all the struggles, may I, aware of doing my duty, be grateful to you, my protector, and render thanks to God, the Creator of heaven, earth and nature who has the power to dominate the fury of the storm and to mitigate the cruelty of war. St. Barbara, pray for us. Amen.
