Saint Juan Diego

Born an impoverished free man in a strongly class-conscious society. Farm worker, field labourer, and mat maker. Married layman with no children. A mystical and religious man even as a pagan, he became an adult convert to Christianity around age 50, taking the name Juan Diego. Widower in 1529. Visionary to whom the Virgin Mary appeared at Guadalupe on 9 December 1531, leaving him the image known as Our Lady of Guadalupe.

Prayer to St Juan Diego

O St. Juan Diego, in appearances of Our Lady of Guadalupe, you, a humble peasant, were chosen as Her messenger. Your faithfulness in this task is evident still today, in the miraculous image the Virgin left upon your tilma. Intercede for me, I pray, that I might have your childlike trust in the mother of God, and that my heart might respond to her maternal promptings. Through such simple confidence, obedience, and love, may I join you one day in sharing everlasting joy, where our heavenly Mother reigns in the glory of her Son. Amen.

Prayer to Saint Juan Diego

Saint Juan Diego, you are our first American indigenous saint. Please pray that God the Father would protect all migrants through his Son, Jesus Christ. Ask the Father to pour out the love of the Holy Spirit upon all who are isolated, alone and separated by choice or necessity from their native lands. May those torn away from their families and forced to leave their country to find work elsewhere be reunited: husbands with wives and parents with children. We ask especially for migrant women and children who are particularly vulnerable to the dangers of human trafficking. Give them your protection and shield them from evil. May we as a Church receive the grace to welcome with love migrants who enter into our country, seeking a home in our parishes and communities. We ask for your prayers and intercession for all immigrants

who are desperate, alone and in need of God's loving support. And we ask Our Lady, who appeared to you as your Mother and Mother of all in our land, to wrap her mantle of protection around all migrant people.

We beg for her love, compassion, help and protection on all immigrants who today experience great sufferings, sorrows, necessities and misfortunes. Amen.

Prayer to St. Juan Diego

(adapted from a sermon of Pope John Paul II)

St. Juan Diego, we entrust to you our lives so that, feeling the call to holiness, we may imbue every area of social life with the spirit of the Gospel. Bless our priests, deacons, sisters, and brothers. Bless families, strengthen spouses in their marriage, help parents to give their children a Christian upbringing. Look with favor upon the pain of those who are suffering in body or in spirit, on those afflicted by poverty, loneliness, marginalization, or ignorance. May all people, civic leaders and ordinary citizens, always act in accordance with the demands of justice and with respect for the dignity of each person, so that in this way peace may be fostered. Beloved Juan Diego, show us the way that leads to the Virgin, that she may receive us in the depths of her heart, for she is the loving, compassionate Mother who guides us to the true God. Amen.

St. Juan Diego, pray for us.

Our Lady of Guadalupe, pray for us.

Prayer to Saint Juan Diego

Saint Juan Diego, you were chosen by Our Lady of Guadalupe as an instrument to show your people and the world that the way of the Christian is one of love, compassion, understanding, values, sacrifices, repentance of our sins, esteem and respect for the creation of God, and above all, one of humility and obedience. You, who we know are in the Kingdom of our Lord and near our Mother, be our angel and protect us, stay with us while we fight in this modern life without knowing, most of the time, where to place our priorities. Help us to pray to God, through the Heart of our Lady of Guadalupe towards the Heart of Jesus, to obtain the gifts of the Holy Spirit, and to use them for the good the humanity and the Church. Amen
